

# Street Talk

DRIVER EDUCATION PROGRAMME

An interactive course including a one-on-one, in-car session with a driving instructor.

Complete the course, be better prepared for the test and apply for your full licence six months sooner.

# Street Talk is an NZTA-approved course in advanced driving skills

Successfully completing a Street Talk course allows you to reduce your restricted licence period by six months, or three months if you are over 25 years of age.

A Street Talk course consists of six sessions that focus on:

- risk perception
- risk management
- self-reflection
- decision making
- goal setting and monitoring.

You'll be provided with a logbook of the course content and assignments. Graduates can be credited with Unit Standard 3464 on the NZQA qualifications framework.
